### **Directorate of Plans, Training, Mobilization and Security (DPTMS) Tornado and Wildfire Information Sheet As of March 1, 2016**

Fort Hood is now entering the spring / summer seasons. Listed below are resources Fort Hood units and Family members may use to increase preparedness and reduce risks associated with the tornado and wildfire seasons.

**Tornadoes:** Tornado season in Texas is typically March through August, but tornadoes can occur any month of the year. Strong winds are the most destructive aspect, with gusts reaching as high as 300 mph. Eighty percent (80%) of tornadoes occur between noon and midnight. While some areas are more prone to tornadoes than others, they can occur anywhere, so it is best to be prepared.

**Wildfires:** Fire season in Central Texas is typically May through October. However; Fort Hood is subject to range fires year around as we conduct training in our established range and training areas. Wildfires can start unexpectedly and spread quickly. You may not be aware of a wildfire until you are in danger, so it is important to be prepared.

## Ready Army

READY ARMY is the Army's proactive campaign to increase the resilience of the Army community and enhance the readiness of the force by informing Soldiers, their Families, Army Civilians and Contractors of relevant hazards and encouraging them to Be Informed, Make a Plan, Build a Kit and Get Involved. The READY ARMY website [www.acsim.army.mil/readyarmy](http://www.acsim.army.mil/readyarmy) is a great place to start.

Commanders, Directors / Office Chiefs and Facility Managers should confirm Emergency Action Plans (EAP) are written, rehearsed and validated for their units / organizations.

Mr. Mark Peterson is our Fort Hood Ready Army point of contact (POC) and can assist units and organizations such as Family Readiness Groups with increasing awareness and the Ready Army program.

## Annual Full Scale Exercise is May 11-13, 2016

Fort Hood conducts emergency and consequence management training on a recurring basis including an annual Full Scale Exercise (FSE). Our next FSE is May 11–13, 2016 and the scenario is a Wildfire event. During the FSE, individuals may see and/or hear emergency vehicles responding to a notional emergency incident including Soldiers and Civilians role playing as casualties. Our Public Affairs Office will make additional announcements via the Sentinel and other media to inform the Greater Fort Hood Community.

Listed below are resources Fort Hood units and Family members may use to increase preparedness and obtain information to reduce risks associated with the tornado and wildfire seasons.

1) 3rd Weather Squadron forecast updates are available at <http://www.hood.army.mil/3ws/>

2) Fort Hood's Weather and Operational Status Line: Callers can listen to the current weather situation affecting Fort Hood by dialing (254) 287-6700.

### [Army Emergency Relief \(AER\)](#)

#### Did You Know...

**...Army Emergency Relief will provide financial assistance to purchase a replacement vehicle?** If the cost to repair your vehicle is more than the vehicle is worth...it probably doesn't make sense to keep the vehicle on "life support." Realizing that this situation is not that uncommon, AER approved a specific category of assistance to cover the expense. AER can provide up to \$4,000 as a down payment on a replacement vehicle.

**...You can find Army Emergency Relief on Facebook at:**

[www.facebook.com/AERHQ](http://www.facebook.com/AERHQ) You can view photos and videos and keep in touch with the AER community. There are many useful links to information and resources that benefit Soldiers and their families, as well as updates on programs and services and special events. With a donation tab on the Facebook page it is easier than ever to make a safe and secure contribution to AER. If you have not "liked" the page, check it out and share it with your friends!

**...Army Emergency Relief can provide assistance to purchase essential home furnishings?** Whether you're newly married, had a recent addition to the family, or just establishing a new household, AER can help with the essentials. Nope, not the big screen TV or the mega entertainment center, but beds, cribs, tables, chairs and lamps are allowed. Don't go to the "pay-day lender" or the "rent to own shop." The interest rates are exorbitant and you'll end up paying double, triple or even more to the friendly folks who want to help. Make AER your first choice.

When you need help, call ACS Financial Readiness Branch at (254) 288-6330 or visit Army Emergency Relief in the Rivers Building, Bldg. 121 or in the Resiliency Campus, Bldg. 12020, Suite 400.

### **Army Family Action Plan (AFAP) Issue Submission**

AFAP is the process in which we, the Army Family, have the opportunity to tell our leadership what is working well in the Army, what isn't, and what we think will fix the issue. By submitting your issues to AFAP, you shed light on the concerns you have with the quality of life within the Army and give leadership your ideas on how to resolve those issues.

AFAP issues can be submitted to any AFAP Issue Submission box (located at various locations on post); at Lane Volunteer Center; Army Community Service; Oveta Culp Hobby Soldier & Family Readiness Center (OCHSFRC); faxed to (254) 288-3650, emailed to [usarmy.hood.imcom-fmwrc.list.ACS-AFAP@mail.mil](mailto:usarmy.hood.imcom-fmwrc.list.ACS-AFAP@mail.mil), or submitted online through [www.myarmyonesource.com](http://www.myarmyonesource.com) (AFAP Issue Management System).

For additional information, call the Fort Hood AFAP office at (254) 287-AFAP (2327) or (254) 286-6600.
