Military Family Month

Each year the President signs a proclamation declaring November Military Family Month. This annual proclamation marks the beginning of a month-long celebration of the Military Family in which the Department of Defense and the nation will honor the commitment and sacrifices made by the Families of the nation's service members.

Warrior Care Month

November marks Warrior Care Month, a dedicated time frame for the Army to share information and updates on the programs and initiatives currently provided through the warrior care system to the military and their Families. Throughout Warrior Care Month, the Army will ensure that leaders, Soldiers, Veterans, and Families understand the many ways Army Medicine and the Warrior Care and Transition Program (WCTP) support wounded, ill or injured Soldiers. Our nation's Soldiers live Army values day-to-day and through their personal sacrifice.
